

SUMMER MEALS SPONSORSHIP

When school lets out for the summer, CAPSC helps to bridge the gap for families by providing breakfast and lunches, at no cost, at nearly 20 meal distribution sites in Strafford County. CAPSC's Summer Meals Program is funded largely by the USDA. However, with the cost of food continuing to increase, we need your help to raise an additional \$60,000 this year.

Our goal is to provide 60,000 meals for Strafford County children in need this summer.

Please consider a sponsorship to our Summer Meals Program, which would help to ensure that no child goes hungry this summer. The levels below outline the benefits your company will receive as part of a sponsorship.

\$5,000 - Gold Sponsor
